

*In a world filled with false pretenses
You are honest*

*In a life where people are shallow
You are deeply committed*

*Faced with choices that could hurt
You do what is right*

I love you for that.

*You believe in me when I doubt myself
You help me go on*

*You encourage me when I'm overwhelmed
You support my career*

*You stood by me when I was down
You helped me get up*

You are my best friend

I love you for that.
